Limited Review Report

To,

The Board of Directors of Commex Technology Limited

- 1) We have reviewed the accompanying statement of unaudited financial results of COMMEX TECHNOLOGY LIMITED ("Company") for the quarter and half year ended 30 September, 2018 which are included in the accompanying statement of unaudited Financial Results for the quarter and half year ended 30 September, 2018 and the statement of assets and liabilities as on that date, together with the notes thereon (the 'Statement'). The statement has been prepared by the Company pursuant to requirement of Regulation 33 of the Securities and Exchange Board of India (SEBI) (Listing Obligation and Disclosure Requirements) Regulations, 2015, as modified by the Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 (the Regulations).
- 2) The unaudited financial results are the responsibility of the Management of the Company. The Management is also responsible to ensure that the accounting policies used in preparation of this Statement are consistent and are in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies. The unaudited financial results have been approved by Board of Directors in their meeting held on 14th November, 2018. Our responsibility is to issue a report on these financial statements based on our review.
- 3) We have conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information performed by Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We were neither engaged to review, nor have we reviewed the comparative figures including the reconciliation to the Total Comprehensive Income for the quarter and half year ended on September 30, 2018 and accordingly, we do not express any conclusion on the results in the Statement for the quarter and

half year ended September 30, 2018. As set out in note to the Statement, these figures have been furnished by the Management.

- 4) Basis for our qualified conclusion:
- a) The Company has accumulated losses and its net worth has been fully eroded, the Company is continuously incurring net loss/net cash loss and the Company's current liabilities are exceeding its current assets.

Further, the Company had written off all its tangible and intangible assets in earlier years. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

- b) The Company has not filed annual returns with Registrar of Companies as required under Companies Act, 2013 for the earlier financial year 2016-17. The company has also not made any provisions in the books for fines and penalties prescribed under the Companies Act, 2013 for the same. However, in the absence of detailed computation of fines and penalties, we are unable to comment upon its impact on the loss for the quarter and half year.
- c) The Company has not provided for gratuity provision as required under Ind AS 19 "Employee Benefits". However, in the absence of detailed information, we are unable to comment upon its impact on the loss of the quarter and half year.
- d) The Company has not appointed any whole time Company Secretary and Chief Financial Officer as stipulated by Section 203 of the Companies Act, 2013. The company has not produced Secretarial Records for verification.
- e) The company has not evaluated whether any impairment provision is required for expected credit losses (ECL) in accordance with Ind AS109 –"Financial Instruments" for Trade Receivables aggregating to Rs. 301.41 Lakhs. In the absence of relevant information, third party confirmation/reconciliation and detailed working, we are unable to comment aponlits recoverability and corresponding impact of impairment on the loss of the year, if any.
- 4. Based on our review conducted as above, except for the possible effects of the matter described in the Basis for Qualified Conclusion in para 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results has not been prepared in accordance with
